Introduced by Senator Maldonado

February 16, 2005

An act to amend ~~Section 24011~~ *Sections 24011 and 25210.9c* of the Government Code, relating to county offices.

LEGISLATIVE COUNSEL'S DIGEST

SB 282, as amended, Maldonado. County offices.

Existing law authorizes the boards of supervisors of specified counties to provide, by ordinance, that the public administrator be appointed by the board, and authorizes the boards of supervisors of certain counties to appoint the same person to the offices of public administrator and public guardian. The boards of supervisors of certain counties are authorized to separate the consolidated offices of district attorney and public administrator for purposes of making these appointments.

This bill would include Lassen and Monterey Counties within those counties whose boards of supervisors are authorized to provide for the appointment of the public administrator by the board. It would also authorize the Board of Supervisors of Lassen and Monterey Counties to appoint the same person to the offices of public administrator and public guardian. The bill would also authorize the Board of Supervisors of Lassen County to separate the consolidated offices of district attorney and public administrator for the purpose of making these appointments.

Existing law authorizes a county, by the adoption of a resolution by a 1/3 vote of the county board of supervisors, to appropriate any of its available moneys to a revolving fund not to exceed \$1,000,000 to be

used to provide in whole or in part one or more extended services to a county services area.

This bill would increase the amount that may be appropriated in that manner to \$2,000,000.

This bill would incorporate additional changes in Section 24011 of the Government Code, proposed by AB 1318, to be operative only if AB 1318 and this bill are both chaptered and become effective on or before January 1, 2006, and this bill is chaptered last.
